## Montlake Elementary Sasquatch Award Books 2017/2018

Reader's First & Last Name \_\_\_\_\_

Get started right away reading these books so you can vote in March 2018 for your favorite! We will have an ice cream party for those students who have participated in the program. In each box, note the date when you read the book, one thing you liked about the book, and have a parent sign.

I will be hosting a lunch time Sasquatch book group in the library where we will talk about one of the books from the Sasquatch list of nominees while we eat lunch.

Keep this as your reading record – it will be your invitation to the party!
